# Tatcho Drom

*...Art music with a Gypsy Spirit*

Tatcho Drom is coming back to Le Qu to promote their brand-new album 'THE DEVIL'S LENTIL SOUP'.

The ALBUM combines ancient music with contemporary arrangements and compositions, magical dreams with modern reality. Its music captures the earthy energy of folk and inflects it with the voices of classical, contemporary and jazz.

Led by fiddle virtuoso Gundula Gruen, who "...could well have been raised in the Balkans, for her playing imparts the true soul of Gypsy music", Tatcho Drom draw their inspiration from the music of the Romany Gypsies whose passionate performances have been legendary for centuries. To experience

the music of *Tatcho Drom* is to embark on a magical journey through the Eastern regions of Europe with a group of musicians who are dedicated to celebrating the essence of Gypsy and Balkan music with all its fire, charisma, and charm.
